SCPS® PEDAGOGY (SECTOR - COMPANY - PRODUCT/SERVICE)

SCPS approach of training is learning any Management concept where **a topic is explained with real world application in various sectors, on different products or services of several companies** which helps in clarifying that **management strategies vary in different sectors for different products or services.**

COMPARATIVE ANALYSIS METHODOLOGY

PIBM students **develop their research & analytical skills by doing comprehensive comparative analysis** of selected products of chosen companies from selected sector. **Data driven approach is followed by analysis and comparison** between products, companies & sectors focussing on data derived from market.

EXPERIENTIAL LEARNING

Business Management Skills are built through strong **3-step Experiential Learning Methodology**

1. Learning business from Corporate Heads inside classrooms through **quality discussions & exhaustive interactions**
2. **Case study analysis** & discussions along with **live projects** to build analytical bend of mind
3. Improving the processes of companies through **automization, implementation of PMS models & business strategies**

STRONG CORPORATE INTERFACE

At PIBM, we are associated with over 300 top Corporate Heads to interact & train our students with an objective to expose our students to understand the real time problems in the organizations, to relate the theoretical concepts learnt in the classrooms to practical concepts and to learn real life application of management practices.

CORPORATE EVENTS

Throughout the year, PIBM conducts various events like Pioneer Convergence, FMCG Day, CEO CHARISMA, Fintech Colloquium, retail day, Manufacturing Day, Tech Hour, HR Meet, Analyst Meet etc. sees more than 150 Corporate Heads inside campus for Panel Discussions and Knowledge sharing interaction sessions ensuring more opportunities for students to interact and learn directly from the Industry Experts.

OUR ESTEEMED CORPORATE PANEL

PIBM association consists of corporate heads from Marketing, Finance, HR, Operations, Consulting and IT domains from various sectors like Financial Services, Banking, IT & ITES, FMCG, Consumer Durables, Paints, Cement, Retail, Automobile, Telecom etc. who visit PIBM campus frequently on weekends to share their rich content knowledge on various topics.
